

E-Rare Joint Transnational Call for Proposals 2014 " Development of Innovative Therapeutic Approaches for Rare Diseases "

Pre-proposal application form

CHECKLIST FOR THE COORDINATOR:

In order to make sure that your proposal will be eligible to this call, please collect the information required to tick all the sections below before starting to complete this application form.

- **General conditions:**

- The project proposal addresses the **AIM/S** of the call
- The project proposal meets the **TOPIC/S** included in this call

- **The composition of the consortium:**

- The project proposal involves at least 3 eligible research groups from at least 3 different countries participating in the call.
- The project proposal does not include more than two eligible research groups from the same partner country participating in the call.
- The consortium coordinator, as well as a minimum of 50% of all research groups are eligible to receive funding from the funding organisations participating in the call.
- The project proposal involves a maximum of 6 eligible research groups.

- **Eligibility of consortium partners:**

- I have checked that each partner involved in the project proposal is eligible to receive funding by its funding agency. Not eligible partners are therefore aware of that fact and a signed statement declaring that they will run the project with their own resources is enclosed in the proposal.
- (if applicable) Italian partners involved in the proposal have submitted a pre-submission eligibility check form to their national funding organization at least 7 working days before the submission deadline.

Please note:

- **Proposals that do not meet the national eligibility criteria and requirements will be declined without further review.**
- **All fields must be completed using Arial 11, single-spaced, margins of 1.27 cm. Incomplete proposals, proposals using a different format or exceeding length limitations of any sections will be rejected without further review.**
- **Once completed the pre-proposal must be converted in a single PDF document before being submitted to the submission website.**
- **In case of inconsistency between the information registered in the submission tool and the information included in the PDF of this application form, the information registered in the submission tool shall prevail.**
